

Paying for Tuition

Making financial arrangements (either by making payment in full or setting up a payment plan) is one of the processes to be completed online prior to the beginning of each semester.

Financial arrangements for tuition, fees, room, board and miscellaneous charges must be made online via the [Student Account Center](#). You may log in to the Student Account center by visiting our website, www.lmu.edu/studentaccounts or through your PROWL account.

If registered prior to December 19, 2024, the deadline for making financial arrangements for Spring 2025 is **December 19, 2024**. If registering on or after December 19, 2024, you must set up a payment plan, or pay in full before the next payment deadline, January 20, 2025, to avoid a late fee.

All student bill notifications are sent via email to the student's LMU Lion email account. If you would like to have these eBill notifications sent to a parent, guardian or other third party, please set them up as an authorized user in the Student Account Center.

Students can access the Student Account Center by logging into [MyLMU](#) using their LMU Lion email address and password. Click on the Accounts & Tech section. Under the Accounts column, select the Student Account Center.

Authorized Users can access the Student Accounts Center at https://lmutpg.lmu.edu/C20995_tsa/web/login.jsp

The Student Account Center, available 24/7:

- Is a private and secure means for students to make payments, make deposits, view account activity and billing statements.
- Allows students to set up authorized users for secure third-party access.
- Allows students and authorized users to store payment methods for quick and easy payment access.
- Allows students to enroll in a payment plan and set up future scheduled payments.
- Allows student to set up bank account information to have refunds deposited directly into a bank account.

We encourage you to visit our [website](#), where you will find a [budget calculator](#) to assist in estimating your cost of attendance, as well as information pertaining to the Student Account Center. Please note, students must be registered for classes prior to setting up a payment plan.

Refunds will be processed electronically. Students must log in to the Student Account Center to set up a refund account. To request a refund, please send an email to refund@lmu.edu. Financial Aid:

If you are expecting financial aid to cover part of your expenses, please be sure you have completed all financial aid requirements and have accepted your aid prior to payment plan enrollment. Failure to complete all requirements may result in a calculated monthly payment larger than expected until all requirements have been met.

If financial aid covers all of your expenses and you have completed all of your requirements and accepted your aid, there is no need to log in to the Student Account Center to set up payment arrangements. If you have not completed your requirements, you will be expected to make a payment by the payment deadline. Please allow at least 48 hours after accepting your aid before logging in to the Student Account Center to pay the balance due or enrolling in a payment plan. If you have a credit on your account as a result of financial aid, you may use all or part of that credit to purchase Flexi dollars by sending an email to flexi@lmu.edu. Please log in to PROWL to check your financial aid status.

Housing and Meal Plans:

Meal plan selections are arranged through the [Student Housing Office](#). Please visit their site for more information.

Full-time undergraduate students, who wish to purchase a meal plan or "S" dollars, must also go through the Student Housing Office.

Parking Permits:

All students registered in 7 or more billable hours will automatically be charged for parking via their student account. Students who choose not to bring a vehicle may opt-out of this parking charge via an online form in LMU Park. Please check the [Parking and Transportation webpage](#) for updates and instructions. For questions or comments, please email parking@lmu.edu.

Health Insurance Waiver:

The Health Insurance fee of \$1,576.00 is mandatory for students who are taking 7 or more billable hours in Spring. Students may waive Spring coverage by completing the online waiver at <https://www.gallagherstudent.com/LMU>, beginning November 21st. Coverage must be waived for Fall and Spring separately. Students taking less than 7 billable units in either fall or spring may purchase coverage directly through the insurance carrier at <https://www.gallagherstudent.com/LMU>.

Please visit the Student Accounts website at <http://www.lmu.edu/StudentAccounts> for specific dates and instructions.

International (Visa) students must have health insurance coverage regardless of the number of semester hours in which they are enrolled.

Please refer to the Aetna Student Health brochure for additional major medical, dependent, and spousal coverage.

(Accident Insurance is mandatory for all students registered for 7 or more billable hours and may not be waived.)

LMU students are able to purchase dental and vision coverage on a strictly voluntary basis. The premiums for these plans are not billed through the student account and must be purchased through [VSP Vision Care](#) and/or [Delta Dental](#).

Tuition Insurance Protection:

LMU has arranged with A.W.G. Dewar, Inc. to provide a Tuition Refund Insurance Plan that will provide coverage for tuition costs if medical problems, including mental health, require withdrawal from school before a semester ends.

All undergraduate students will be automatically enrolled in the Tuition Refund Insurance Plan. The charge for the Plan is \$207.00 per semester and will be included in the first bill of each Fall and Spring semester. The Plan does not cover Summer sessions.

Students who do not wish to participate in the Tuition Refund Insurance Plan can opt out by waiving coverage for each semester through the online Tuition Refund Insurance Plan waiver process beginning in July for the Fall semester and the end of November for the Spring semester. Students need to log on to <http://tuitionprotection.com/lmu> and click on the tuition insurance waiver icon. The deadline for opting out of the Spring Tuition Refund Insurance Plan is January 12, 2025, by 5:00 p.m. PST.

Graduate students who wish to purchase the plan may do so by visiting the Dewar's web site at www.collegerefund.com
