

Paying for Tuition

Making financial arrangements (either by making payment in full or setting up a payment plan) is one of the processes to be completed online prior to the beginning of each semester.

All students registered as of July 1, 2025, will receive an electronic bill (eBill) that will be available through the Student Account Center. Bills are run once a month. An email notification will be sent to the student's LMU Lion email account when a new eBill is available for viewing. If you would like a parent, guardian or other third party to have access to your eBill, please set them up as an authorized user in the Student Account Center.

Making payment arrangements for tuition, fees, housing, meals, and miscellaneous charges must be completed electronically via the Student Account Center.

Students can access the Student Account Center by logging in to [MyLMU](#) and clicking on the Accounts & Tech section. Under the Accounts column, select the Student Account Center. Authorized Users can access the [Student Account Center](#) by logging in with their authorized user email and password.

The Student Account Center, available 24 hours a day, 7 days a week:

- Is a private, secure way for students to make deposits, remit payments, view account activity and billing statements.
- Allows students to set up authorized users for secure third-party access.
- Allows students and authorized users to store payment methods for quick and easy payment access.
- Allows students and authorized users to enroll in a payment plan and schedule future payments.
- Allows student to set up bank account information to have refunds deposited directly into a bank account.

Please visit our website for a budget calculator to help you in estimating your cost of attendance as well as a Student Account Center user's guide, and please note, a student must be registered in classes before setting up a payment plan.

Refunds will be processed electronically. Students must log in to the Student Account Center to set up a refund account. To request a refund, please send an email to refund@lmu.edu. Refunds for the Fall 2025 semester will begin to be processed beginning the first day of classes. Please visit our website for more information regarding [LMU's refund policy](#).

Financial Aid:

If you are expecting financial aid to cover part of your expenses, please be sure you have completed all financial aid requirements and have accepted your aid prior to payment plan enrollment. Failure to complete all requirements may result in a calculated monthly payment larger than expected until all requirements have been met.

If financial aid covers all of your expenses and you have completed all of your requirements and accepted your aid, there is no need to log in to the Student Account Center to set up payment arrangements. If you have not completed your requirements, you will be expected to make a payment by the payment deadline. Please allow at least 48 hours after accepting your aid before logging in to the Student Account Center to pay the balance due or enrolling in a payment plan. If you have a credit on your account as a result of financial aid, you may use all or part of that credit to purchase Flexi dollars by sending an email to studacct@lmu.edu. Please log in to PROWL to check your financial aid status.

Meal plan selections are arranged through the [Student Housing Office](#). Please visit their site for more information.

Full-time undergraduate students, who wish to purchase a meal plan or "S" dollars, must also go through the Student Housing Office.
